

# Rural Products Range

- Australian owned family company
- Over 30 years experience as wire specialists
- Australia's largest range of quality fencing products

New South Wales • Victoria • Queensland  
South Australia • Western Australia

[www.whiteswires.com.au](http://www.whiteswires.com.au)

Look for the new gold labels on our premium Aussie-manufactured products. Choose our Premium Aussie Gold fence wire, barbed wire, netting, hinged joint and ring joint to make sure that you are getting the best materials for the job. These are our quality-tested, top-of-the-range, locally made products which are manufactured to exceed Australian standards and guaranteed to last.

### FENCE WIRE

Whites Wires premium fence wire is produced using the best feed wire available.

SIZE	LENGTH	PRODUCT CODE
5.20mm PVC Horsesighter	400m	10 009
4.00mm std gal soft	500m	10 001
3.15mm std gal soft	750m	10 002
2.50mm std gal medium tensile	1500m	10 004
2.50mm hvy gal medium tensile	1500m	10 014
2.50mm std gal high tensile	1500m	10 005
2.50mm hvy gal high tensile	1500m	10 015

### BARBED WIRE

Whites Wires barbed wire is produced using the latest and most technologically advanced machines using the best feed wire available.

SIZE	LENGTH	PRODUCT CODE
2.50mm std gal soft IOWA	400m	10 150
1.80mm hvy gal high tensile	500m	10 101
1.57mm hvy gal high tensile	500m	10 102

### HANDY SPOOL

1.57mm hvy gal high tensile	100m	55 100
-----------------------------	------	--------

**New South Wales • Victoria • Queensland • South Australia • Western Australia**

*NB Whites Wires are wholesale suppliers to recognised resellers. Stocking of product ranges may vary from state to state.*

### HINGED JOINT

Our 2.5mm Heavy Duty Hinged Joint is made to Australian standard AS2423-1991 with high tensile line wires and heavily galvanised bottom line and picket wires.

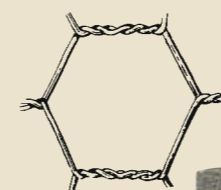

SIZE	LENGTH	PRODUCT CODE
6/70/30	200m	10 291
6/90/30	200m	10 292
7/90/30	200m	10 293
8/90/30	200m	10 294
8/115/30	200m	10 301
8/80/15	100m	10 295
8/90/15	100m	10 298
8/115/15	100m	10 299
11/142/15	100m	10 300

### RING JOINT

Ring Joint, an alternative to Hinged Joint, is produced in a heavy 2.5mm wire.

SIZE	LENGTH	PRODUCT CODE
5/70/30	200m	10 240
6/70/30	200m	10 241
6/90/30	200m	10 242
7/90/30	200m	10 243
5/70/90	500m	10 249

### NETTING

Whites Wires Australian contractor-grade nettings are woven by state-of-the-art machines to ensure a great-looking fence.

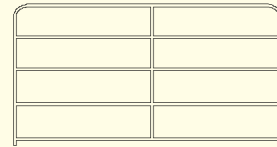

SIZE	LENGTH	PRODUCT CODE
<b>HEAVY NETTING (heavy galvanised)</b>		
30cm x 4 x 1.4	100m	10 400
90cm	50m	10 409
	100m	10 405
105cm	50m	10 415
	100m	10 414
<b>LIGHT NETTING</b>		
90cm x 5 x 1.0mm	50m	10 406
180cm	50m	10 425

# Farm Gates

Whites Wires now offer a great range of high quality Australian-manufactured gates.

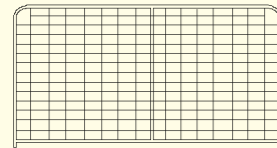

Manufactured from 25NB hot-dip galvanised tube, our gates are built to last.

They come in a variety of widths and styles including:

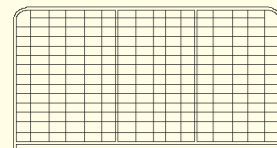

## FIVE-BAR GATES 1130mm high

WIDTH METRIC	WIDTH IMPERIAL	NO. OF STAYS	CODE
1000mm	3'3"	-	13 203
1200mm	4'	-	13 204
1500mm	5'	-	13 205
1800mm	6'	-	13 206
2400mm	8'	1	13 208
3000mm	10'	1	13 210
3600mm	12'	1	13 212
4200mm	14'	2	13 214
4800mm	16'	2	13 216

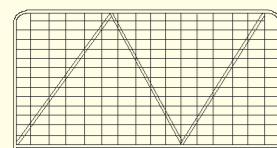

## MESH "I" STAY GATES 1130mm high

WIDTH METRIC	WIDTH IMPERIAL	NO. OF STAYS	CODE
830mm	2'8"	-	13 102
1000mm	3'3"	-	13 103
1200mm	4'	-	13 104
1500mm	5'	-	13 105
1800mm	6'	-	13 106
2400mm	8'	1	13 108
3000mm	10'	1	13 110
3600mm	12'	1	13 112

## MESH "II" STAY GATES 1130mm high

WIDTH METRIC	WIDTH IMPERIAL	NO. OF STAYS	CODE
4200mm	14'	2	13 114
4800mm	16'	2	13 116

## MESH "N" STAY GATES 1130mm high

WIDTH METRIC	WIDTH IMPERIAL	CODE

# Fence Posts

Whites Wires offer two great traditionally-styled and coated posts at the right price.

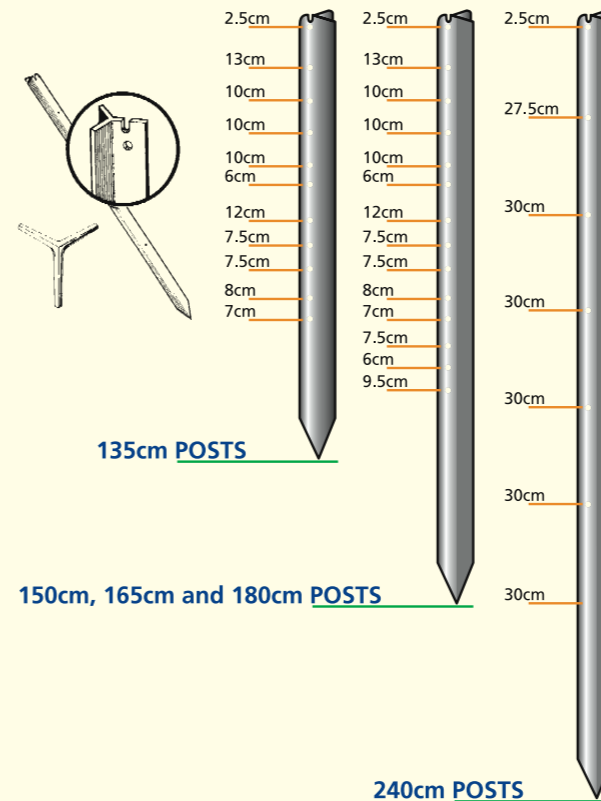

## HEAVY POSTS available in black or hot dip galvanised

For superior performance in heavy duty rural situations. We choose to produce Whites Wires heavy Posts from traditional steel grades allowing flexibility and forgiveness in a rural fence when put under stock pressure.

## ULTRAPOSTS available in black or hot dip galvanised

The **Ultrapost** is perfect if you are looking to build a fence to a budget and is suitable for most hobby, rural, industrial and hardware applications. For these jobs, flexibility is not a major requirement which allows the **Ultrapost** to be produced with a higher carbon content. The **Ultrapost** is a strong lightweight post suitable for most applications.

## WHITES WIRES POST RANGE

### Coatings to last

Whites Wires offer a choice of two different coatings:

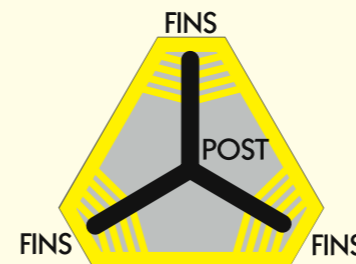

- **black bitumen (tar):** the coating that has stood the test of time in Australian conditions; and
- **hot dip galvanised:** for maximum corrosion resistance and long life, hot dip galvanised products offer a vastly superior zinc coating than electro-galvanised.

SIZE	HEAVY POST	
	BLACK	HOT DIP GALVANISED
45cm		
60cm		
90cm

# Value alternatives

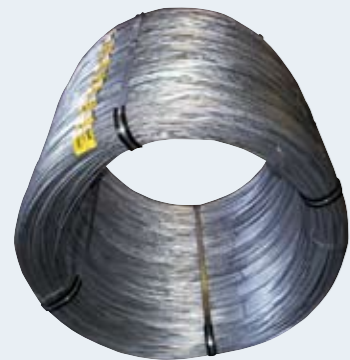

At Whites Wires we recognise that not everyone wants to pay top dollar for fencing so we offer a range of core fencing products priced for value.

These *value alternatives* are produced to our specifications by partner mills around the world and offer great value for money on a top quality product.

**How long will they last?** All our wire products are assured of a long life because we use only hot dip galvanised feed wire that meets or exceeds Australian/New Zealand galvanising standard 4534:1998 (class W02Z).

## FENCE WIRE

Sourced worldwide, our fence wires are produced using top quality feed wire and packaged to Australian specifications.

SIZE	LENGTH	PRODUCT CODE
4.00mm std gal soft	500m	10 161
3.55mm std gal soft	600m	10 162
3.15mm std gal soft	750m	10 163
2.50mm std gal medium tensile	1500m	10 170
2.50mm std gal high tensile	1500m	10 171

## HANDYFENCE COILS

3.00mm std gal soft	250m	10 012
2.50mm std gal medium	300m	10 011

## FENCE DROPPERS

Whites Wires droppers are manufactured from high tensile steel and are heavily galvanised to ensure long life. They come packed in easy-to-handle bundles of 25 in four popular sizes to suit most fences: 81cm, 94cm, 107cm and 117cm. Each pack of 25 fence droppers includes a fixing tool, ample clips and easy to follow fixing instructions.

## WIRE JOINERS

Independent testing by a NATA-accredited laboratory has shown that Kwik-Lock wire joiners will hold on average an amazing 90% of the breaking load of 2.5mm high tensile wire. This is well over **three times** the recommended tension strain of this wire when used for fencing.

### Medium Kwik-Lock

For high tensile and soft fencing wires 2.40mm to 3.00mm

### Large Kwik-Lock

For high tensile and soft fencing wires 3.15mm to 4.00mm

For barbed wires 1.57mm to 1.80mm

## NETTING

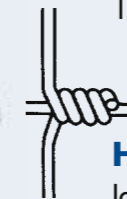

Sourced worldwide, these are top quality nettings from heavy galvanised rabbit netting to general hardware netting. Our core rural products are shown below.

SIZE	LENGTH	PRODUCT CODE
<b>HEAVY NETTING (heavy galvanised)</b>		
30cm x 4 x 1.4	50m	10 451
60cm	50m	10 452
90cm	50m	10 454
105cm	50m	10 455
120cm	50m	10 456
180cm	50m	10 458
<b>90cm x 5 x 1.6 (heavy galvanised)</b>		
120cm	50m	10 653
180cm	50m	10 657

## LIGHT NETTING

90cm x 1.3 x 0.56 50m 10 435  
Also available in 30cm/60cm/120cm/180cm widths.

90cm x 3 x 0.9mm	50m	10 643
120cm	50m	10 616
180cm	50m	10 656
90cm x 5 x 1.0mm	50m	10 645
120cm	50m	10 644
180cm	50m	10 646

## HINGED JOINT, FARMLITE 2mm

Ideal for the hobby farmer or subdivision, our range of lightweight hinged joint represents great value for money.

SIZE	LENGTH	FARMLITE 2mm
7/90/30	100m	10 280
8/90/15	50m	10 271
	100m	10 281
8/115/15	50m	10 272
	100m	10 282

## FASTENERS, CLIPS AND STAPLES

Jambro fastener gun	12 300
Fasteners for Jambro gun (pkt 1000)	12 301
Fasteners for old RP22 gun (pkt 1000)	12 306

Netting clips 16mm x 2.00	12 400
Netting clips 16mm x 2.24	12 399
Netting clips 19mm x 2.24	12 401
Netting clips pliers for 16mm	12 405
Netting clips pliers for 19mm	12 406

Bale fasteners are available in 100s, 300s, 700s and 15kg bulk.  
Plain staples are available in 3kg.  
Barbed staples are available in 5kg and 15kg.

## TOOLS AND ACCESSORIES

Steel post driver 80cm	12 201
Steel post driver 120cm	12 202
